PRAYING DIFFERENTLY

Avent 2025

Make us Watchers

Lord,
At the beginning of this Advent, come and awaken our burdened hearts,
shake us from our spiritual slumber.
Grant us once again to hear the whispers of your Spirit
who within us prays, keeps watch, and hopes.

Lord,
Renew our expectation,
the active vigilance of our faith,
so that we may commit ourselves wherever life is violated,
love trampled upon, hope threatened, or human dignity despised.

Lord,
In this Advent season, make of us watchers
who prepare and hasten the coming and the final triumph of your
Kingdom, the reign of Love.

Amen.
